Alaska (population 648,818) is 2.5 times the size of Texas. The Evangelical Covenant Church of Alaska has 19 churches in Alaska. 13 of these churches are in remote parts of Alaska with no road system. The Covenant Youth of Alaska (CYAK) business office is located in Eagle River; however, CYAK ministers statewide in developing a coordinated youth ministry effort. Operations and planning activities are executed from the Palmer location near the Mat-Su Covenant Church. Office space in the new Mat-Su church addition will soon be a reality.
